## HOW DOES LOVE YOUR STORAGE WORK?

1

Try Pure Storage in your environment for 30 days at no risk

2

If you are not completely satisfied, let us know

3

We will work diligently to make you happy, up to and potentially:

- Providing additional storage if promised data reduction is not met
- Providing free assistance to optimize environment
- Resolving any support issues experienced

If you are not happy, return the FlashArray for a full refund.

### The Fine Print:

- **There basically is no fine print.** All program terms are in standard Pure Storage EULA
- New array purchases only, guarantee in effect 30 days from the time of arrival at customer site
- Customer must perform a good-faith installation with phone-home enabled
- Array must be returned in like-new condition, else customer pays reconditioning costs
- Remedies other than full refund are at the sole discretion of Pure Storage
