

# CloudMetro

## AUSTRALIA'S MOST INNOVATIVE MANAGED CLOUD SERVICE IS NOW FASTER AND MORE FLEXIBLE

### DATA IS YOUR MOST PRECIOUS COMMODITY

The security, stability and availability of data and mission-critical workloads, are crucial to both day-to-day operations and the innovative projects driving your business. Trust CloudMetro to deliver continuous availability, highly secure, reliable storage with high-performance computing and 99.99% uptime.

### CLOUDMETRO KEY FEATURES:

- Enterprise-grade technology
- All-flash speed and reliability guaranteed
- Data held in multiple datacentres
- High redundancy at every level
- Total data sovereignty with real time data synchronisation
- State-of-the-art fibre technology

In an Australian first, CloudMetro is transforming datacentre economics by offering the speed and efficiency of all-flash storage as standard - accelerating your business capability with a fast, flexible and fully optimised cloud solution.

**SPEAK TO HARBOUR IT ABOUT A CUSTOM CLOUD ENVIRONMENT THAT SCALES AND FLEXES WITH YOUR BUSINESS REQUIREMENTS.**

**FLEXIBILITY OF A PERSONALISED HYBRID CLOUD ENVIRONMENT WITH NEXT LEVEL PERFORMANCE, RELIABILITY AND SECURITY.**

*Adam Simpson*  
General Manager of Cloud, Harbour IT

### CloudMetro

INSTANT DATA REPLICATION

OVER MULTIPLE AUSTRALIAN DATACENTRES

ALL FLASH SPEED & RELIABILITY

SECURE DATA

## THE CLOUDMETRO BUSINESS ADVANTAGE

Enterprise-grade speed and reliability is finally available to the Australian mid-market. Deployed for your organisation as a private or hybrid cloud, CloudMetro features all-flash storage and proven technology from the world's leading providers including Cisco, NetApp, Pure Storage and VMware.

Leveraging Tier 3 (best) Australian datacentres and seamlessly complementing Cisco's FlexPod and FlashStack reference architectures, CloudMetro offers non-stop computing, total data integrity and rapid disaster recovery. Data is instantly and continuously replicated with no inconsistency.

Aligned with key industry bodies such as APRA, our commitment to compliance and sound governance means CloudMetro is trusted by customers from key industries such as financial services, healthcare, manufacturing and retail.

**SPEAK TO HARBOUR IT ABOUT FLEXIBLE HYBRID CLOUD SOLUTIONS TO SUIT YOUR BUSINESS.**

- Cloud Connect through Axon VX with Microsoft Express-Route & AWS Direct Connect
- Disaster Recovery as a Service (DRaaS)
- Backup as a Service (BUaaS)
- Enterprise WAN Services (HarbourNET)
- Self Service Cloud Platform

## HARBOUR IT, AUSTRALIA'S CLOUD LEADER

At Harbour IT, we've built our reputation on customer service excellence. Known for our knowledgeable, personable service, we offer a highly secure and flexible hosted and managed cloud solution based entirely in Australia - helping our customers to transform the way their businesses are run.

Our unique difference is being large enough to provide mid-market customers with extensive expertise, established processes and advanced

enterprise level solutions, yet small enough to be hands-on and deliver the high-touch customer service the mid-market demands.

**CUSTOMER SERVICE EXCELLENCE IS THE CORE OF OUR BUSINESS**

*Michael Giusti*  
CEO, Harbour IT
